FROM THE PRESIDENT'S PEN…

"Sometimes it's the journey that teaches you a lot about your destination."…
…Drake (Canadian Musician)

I can't believe it… the journey through the summer season is practically half way finished. It seems only yesterday that I was ready to begin the journey through my favorite season to only find that has disappeared before my eyes! So much has happened since the beginning of summer… and so much more to do… trips to take, people to see, things to do!

Our church's time in this transitional journey between pastors, seems like it began yesterday… kind of like the beginning of summer, however we have been in this journey for approximately five months. There are some days I feel that it has just started, and we couldn't be five months in, and then there are others that tell me the journey can't end soon enough.

In approximately a month and half, we will get a little respite from our journey in "The Land of No Pastor" when Reverend Mark Bishop joins us as an interim pastor. It will be nice to return back some of the responsibilities that I have assumed in the absence of pastor back to a pastor… and only worry one about major job at this church, mainly serving my remaining time as your Council President.

However, the arrival of Reverend Bishop does not signal an end to our journey or that we can all relax now until his departure in April 2023. Far from it… while we can a moment to catch our breath, it will be time for us to move into another phase of this journey of transition, or move along a different path of our transitional journey for the time being. It will be a time to focus on planning, and studying the direction we believe God wants this church to go in the future, determining what we need and desire in the next pastor, and making the necessary preparations for the next permanent pastor, or the next longer interim pastor.

In the coming months, Church Council will begin to formally put together an official Search Committee. There will be an all church-wide retreat to Maria Stein in the Fall, in which we will focus on the directions we see St. Paul in the future, along with possibly exploring or re-visioning our Mission Statement for St. Paul. There will probably be another survey to determine your individual visions and desires for this church. In each step of the coming journey, your participation is extremely important. Without your willing and strong participation, it will be difficult for your church's leadership to shape the church's future to meet the needs of the congregation.

The next phase of this "transitional" journey promises to be an exciting opportunity to learn more about our church… a chance for everyone to learn more about what we are currently doing, what we may want to do, a chance for members to help shape the vision and future, and even a chance for members to learn more about each other… their hopes and dreams for this church.

And while this journey will be beautiful in the end, it may be one that is not necessarily easy to travel. God did not guarantee that this journey would be easy or comfortable, especially this phase of the trip. But He did guarantee, according to Scriptures, that He would be by our side the entire time. And He has shown us His presence by the continued successful work that has occurred while we are without a pastor. Our church continues down this transitional journey… as a strong church with strong people, willing to be Jesus's hands and feet on Earth. And that… that is GOOD.

Blessing to you always,

Mark Vaughn
Council President

Pastor Search Up-Date

Since the last ***LINK,*** the following steps have been done as we continue the search for a new pastor for St. Paul.

- On July 18th, Church Council unanimously approved the recommendation of the Executive Committee to "call" Reverend Mark Bishop to serve as an "interim" pastor officially beginning September 11, 2022 and concluding April 30, 2023. Reverend Bishop is to be paid at an annual rate of $65,000.

- We continue to receive a few surveys from individuals that no longer wish to be part of our church. Approximately 100 individuals have failed to respond to at least two mailed surveys.

- We have continued to sadly remove all individuals requesting their names be removed from our membership via official Council action.

- A Church Directory Committee under the leadership of Bill Miller has been working with Universal Church Directories to schedule families and individuals for portraits to be included in a new church directory. Pictures will be taken in August 3-6, 2022.

- The Policies and Procedures Committee is continuing to meet to consolidate and write church policies to document as well as provide continued guidance in the governance of this church.

- Continuing the updating of the list of working committees, determining what they do and who is on them. This work is being done by the Deacons.

- Still have an updated one-page profile and a 250-word profile that has been submitted to the Northwest Association to be used in our search for an interim or designated- interim pastor.

- Church Council is beginning discussions on who should be asked to serve on and how should a Search Committee be developed that fairly represents the congregation.

- A church-wide retreat **will be planned** for some time this Fall at Maria Stein, in which the focus will be developing our church's re-vison of the future; plans for this were under way before Reverend Becky's departure and COVID. This re-visioning needs to be done so the Search Committee can match the congregation's vision for the future with the skills of a new pastor.

- We continue with **ALL** the ministries that make a difference to our church membership and the Wapakoneta community; we are continuing to be the Hands and Feet of Jesus as we create an environment that will be a good fit for the right person

"THE CHOSEN" VIDEO SERIES STUDY

Starting September 1st, Join Anthony on Thursday Nights for a video series study on "The Chosen". The Chosen is the first-ever multi-season TV show about the life of Jesus. Created outside of the Hollywood system, The Chosen allows us to see Him through the eyes of those who knew Him. The Chosen is produced by the people and is the largest crowd-funded media project of all time (this means the production was paid for by funds raised by the general public)

The Chosen is based on the stories of the gospels of Jesus Christ. Some locations and timelines have been combined or condensed. Backstories and some characters or dialogue have been added. Lasting 16 weeks, Going through seasons 1&2 *(Season 3 in production now)*, we will watch an episode each week and have discussion on what we've watched. Do not let "16 weeks" scare you, as each episode is able to stand on its own, you will not be lost if you miss any of the episodes. Though this study is intended to be in-person, participation via zoom can be made available with prior notice. A flyer with more information available in the back of the sanctuary and in the office.

Please email Anthony@stpaulucc.com to let us know you would like to participate!

Jobs are not strenuous… from helping distribute free food, information about church programs, to supervising the various bouncy house activities and/or bingo. There is plenty to do, and we need as many as are willing to share part of an afternoon showcasing our church to the community, as well as help our own families have a GREAT time celebrating the awesomeness of this church! The more volunteers we have, the easier it will be for all of us.

A sign-up sheet is in the Breezeway. Please consider helping today!!!!

If you have specific questions regarding the festival, please contact Mark Vaughn at the church office, 419-738-2215.

Please consider giving part of your time to help showcase and celebrate what makes St. Paul a special place to be! We can't do it without you!!!!!!

NEW CHURCH DIRECTORY

We need your help. We would like to photograph you and your family for our new church directory. There is no cost to you. If you have already scheduled your appointment, we thank you and look forward to seeing you.

On August 3-6, 2022, we will have professional photographers at St. Paul to photograph our members. The pandemic has delayed our usual five year project, so it is important that you and your family are present. Each participating family will receive a free 8X10 color photograph of their family and a free church directory. Additional photographs and packages will be available if you care to purchase.

All you need to do is schedule a time to come to the church to be photographed between August 3rd and August 6th. **(It's not to late)** You can sign up to be photographed using one of the following methods:

Call the church office at 419-738-2215

Use your computer and go to https://ucdir.com/, click on "Photography Scheduling Appointment Login", church code is: oh2563, church password is: photos

Church directories will include the portraits of each family or individual who have their picture taken and will also include snapshots and informal photographs taken over the past several years. Directories have traditionally included pictures of groups like the choirs, the Called to Care volunteers, church committees and others.

The new church directory will be a valuable tool for our incoming interim and permanent pastors to help them know our congregation. The directory brings us together to develop new relationships, connect with our own families, and reconnect with those we haven't seen in a while. Join us for this Connections Event and be part of what God is doing right here at St. Paul Church.

Thank you for your help.

Very truly yours,

Church Directory Committee

WELCOME TO ST. PAUL!

Again, WELCOME Reverend Bishop and thank you for joining us as we continue to be the hands and feet of Christ on Earth!

SUMMER LUNCH PROGRAM UP-DATE

Due to the low program participation state-wide, an increase in the number of COVID cases and the number of volunteers in other locations across the state. The U.S. Department of Agriculture has rescinded the requirement for only offering "in-person" lunches. As of Wednesday, July 20th, lunches are now available for "in-person" or "take-out" dining. Take-out lunches are available for pick-up at St. Paul at the Mechanic Street door. In-person dining and take-out lunches are served from 11:30 a.m. to 12:30 p.m. Lunches are still prepared under the USDA nutritional guidelines. The program continues through August 19th and is **FREE** to any child or adult desiring a meal.

Free take-out only breakfast options are also now available each day.

Come and see what's cooking for lunch!!
