Interim Pastor's Page

I cannot stress enough that we need to talk about the future of St. Paul, and then talk about it some more. The church is like the blind men who are describing what an elephant is:

Each of us has a bit of wisdom, a bit of spiritual insight, a bit of passion for this or that type of ministry, a commitment to music, a commitment to generosity, a hope for being a truly welcoming church, where all are welcome.

We each have a bit of the picture of who God is, and what God wants us to be about, and how God wants us to treat each other. After Jesus was raised by the mighty resurrection power of God, our Risen Lord sent the disciples out to share the Good News of God's gracious Love. That's what we are about as a church, proclaiming the Good News of healing, forgiveness, faith, hope, and love. As we continue to work together during this "in-between" time, it is my prayer that each of you would believe, really believe, that your ideas, your prayers, your generosity, and your service are not only important, they are a necessary part of the work of the coming Kingdom of Jesus Christ. Keep talking about the future of St. Paul, the calling of St. Paul, what we can do together through the power of the Holy Spirit.

How we come together is how we change the world.

Pastor Search Up-Date
November 2022

Since the last ***LINK,*** the following steps have been done as we continue the search for a new "settled" pastor for St. Paul.

- A **Transition Team** has been created by Reverend Bishop to aid in the planning of the church-wide retreat, along with other important issues and items that need addressed as we continue to move toward "calling" our next settled pastor.

- **A church-wide retreat** is being planned for the weekend of **November 11-13** to be held at Maria Stein Conference and Retreat Center. The theme of the retreat is "Re-visioning the Future." The retreat is being planned by the Transition Team under the guidance of Pastor Bishop, and a consultant. Information was sent to each member of the congregation for their consideration in participating in this important event.

- A Church Directory Committee under the leadership of Bill Miller is finalizing the submission of a new St. Paul Church Directory.

- Church Council's sub-committee of Don Webb, Michele Prater, and Tammy Nuesmeyer have finalized their recommended membership of a Pastoral Search Committee.

- The Policies and Procedures Committee is continuing to meet to consolidate and write church policies to document as well as provide continued guidance in the governance of this church.

- Continuing the updating of the list of working committees, determining what they do and who is on them. This work is being done by the Deacons.

- Still have an updated one-page profile and a 250-word profile that has been submitted to the Northwest Association to be used in our search for an interim or designated- interim pastor.

- Have **only** received **2 (two)** pastoral profiles to-date, with one being Pastor Bishop's.

- We continue with **ALL** the ministries that make a difference to our church membership and the Wapakoneta community; we are continuing to be the Hands and Feet of Jesus as we create an environment that will be a good fit for the right person!

FROM THE PRESIDENT'S PEN…

"Appreciation can change a day, even a life."… Anonymous

The changing of the leaves, the coolness of the breeze, and the crispness in the air are certain signs that November has arrived… and with it our nation's traditional time to reflect and be thankful for all of God's blessings and goodness.

While President George Washington issued the first proclamation in 1789 calling for a national day of Thanksgiving, it wasn't until 1863 that President Abraham Lincoln called for a national day of Thanksgiving to be held on the last Thursday of each November. In the middle of one of the most devastating and horrific wars ever fought by Americans, Lincoln recognized that admist the tragedy of war, time must be taken to reflect and give thanks to God for those blessings that have bestowed upon us… those we know and have seen, and those that may be unknown and unseen to us.

Our church has weathered many difficulties this past year…and even the year before for that matter. Thankfully we have experienced nothing as quite as drastic as what was experienced in 1863, but difficult for us none-the-less in these current chaotic times. Let us remember, that admist all of the trials and challenges that have recently shaped St. Paul, there should be a time for all of us to reflect on the goodness of what makes our church so special. We need to reflect on all of the things that St. Paul UCC does right… does well… does with Christian compassion and love! And, hopefully through such reflection, there continues to be an appreciation for ALL the ministries of St. Paul and how we as a congregation work hard to be the hands and feet of our Lord Jesus Christ, making a difference to everyone we serve.

I hope each and everyone one of you have a joyous and happy Thanksgiving! May you all have an opportunity to make special memories with family and friends this holiday. And more importantly may you all reflect on and be grateful for God's goodness, God's blessings and God's love. And may you also find this holiday, a deep appreciation for the powerful Christian love that makes St. Paul U.C.C. a strong and vital church ***seeking to be a blessing to God.***

Blessings Always,

Mark Vaughn
Council President

ANNUAL THANKSGIVING TURKEY GIVEAWAY NEEDS DONATIONS

Each year, St. Paul provides free Thanksgiving Turkeys that are given away during the large monthly food distribution event held each November. Last year we were able to provide 250 families with a free turkey. In order to provide for the needs of the community again this year, we are currently working on securing the turkeys now, as there is forecast of another turkey shortage again this November, as well as the prices per pound are cheaper now, then what they will be at Thanksgiving. Please consider helping the church help those less fortunate by contributing to our Turkey Fund. Contributions may be placed alongside or with your regular offering, just make sure to denote on your check or envelope that this contribution is for Thanksgiving Turkeys. Thank you in advance for your consideration of this very loving and worthwhile community-wide project.

FINAL SUMMER LUNCH NUMBERS IN! ANOTHER YEAR OF SUCCESS!

This summer, St. Paul once again served the Wapakoneta Community by serving hot lunches, Monday thru Friday, from June to August 2022. The final numbers are in… and we served an amazing **9,643 hot lunches,** provided **2,250 breakfast kits,** meaning that in the three months of summer we served **11,893** total meals!

Congratulations to the Summer Lunch Staff and Volunteers for making 2022 another successful year! Meeting the needs of the Wapak community… addressing hunger one meal at a time… that is love and compassion of St. Paul!!!

What's New with FEAST?

FEAST has been in session for over a month… and has a lot of things happened!!!! Currently there are 15 youth that attend FEAST, participating in a wide-range of activities that are not only fun, but have hopefully been a learning experience as well.

One of the best experiences we have had this term is our Fall Campout held at Templed Hills, on October 7th -8th. Our campers not only got to experience life at camp that included hiking, a hot dog cook out, but they were treated to Friday night dinner buffet at the Der Dutchman in Bellville, and the Buckeye Dinner on Sunday for lunch. The Buckeye Diner was special because everyone ate lunch in a train car, followed by getting to see the "World's Largest Bobble Head" which was located in the parking lot. Camp was FUN!

One of the classes offered each week is called "Foods from the Bible." Each week the class samples the possible types of foods that were eaten in Jesus's day. Students have learned the difference between leaven and un-leaven bread, tasted and eaten Naan, a favorite bread of Jesus's day. They even tried "fish" cooked with only the herbs and spices available in Biblical times… and they even loved it (every kid asked for seconds, and some thirds), but only AFTER complaining about it first! Students have learned that one of Jesus's favorite foods was fish, as it was the most plentiful meat found around the area that he did his ministry. Kids seem to look forward to a new "food adventure" each week, and hopefully the accompanying Biblical stories that the food is based upon.

Students also have the opportunity to create many art projects. From things to decorate bulletin boards to Halloween lighted jars, kids are enjoying exploring arts and crafts.
Sound like a blast? Well it is not too late to join the fun if you are not part of FEAST!!!! Feel free to contact the church office at 419-738-2215 to get a registration form today!!! ALL ages are welcome!

We are planning a special surprise in December… and you don't want to miss it, so join us today so you can take part in hopefully will be awesome field trip filled with fun and surprises in December!!!!!
